

CORRIGENDUM

Earlier, your request for permission to attend Preliminary Written Test on 7th January in view of your intention to attend some other examination on 6th was accepted. Again, several requests were received from candidates to shift the date further as they have to come from far off places and the time will not be sufficient to reach the Examination Centre in time.

Hence, their grievances have been considered and now it is decided to hold the separate examination on **8th January instead of 7th**. The time and the place of the examination remains the same i.e., from 10 AM to 1 PM at Kakinada. Please download your hall ticket.

Please note that you have to attend PWT for SCT Police Constables/other categories on **8th January, 2019 only**. In case you attend PWT both on 6th and 8th, you will be disqualified and your candidature for SCT PC and other categories will be cancelled.
